Informed Travel for the Discerning Mind

Dear Club Member:

Giza. Luxor. Petra. St. Catherine's Monastery. Jerusalem.

Each of these names resonates with 5,000 years of human history, achievement and faith.

Join us, as well as alumni from Duke University and the University of Washington in Seattle, on this exclusive itinerary **encompassing five major sites—the Great Pyramids, Luxor, Petra, St. Catherine's Monastery near Mt. Sinai and Jerusalem**—featuring a unique cruise on the Red Sea. Journey through antiquity, visiting sites that bring the ages of history to life, and sail along the ancient trade routes of the Red Sea aboard the exclusively chartered M.Y. HARMONY V, a sleek, yacht-like vessel with only 25 cabins.

Stand in the shadow of the three iconic pyramids at Giza, still dominating the horizon and still guarded by the inscrutable Sphinx. Enjoy excursions to the venerated sites of the Nile Valley city of Luxor (Thebes), the ancient center of the universe during the time of the Middle Kingdom, and the fabled “rose-red” city of Petra. Wind through dramatic wadis to the sixth-century Monastery of St. Catherine at the foot of Mt. Sinai. And enter through the city gates into Jerusalem, a holy city to three of the world's great religions. Here, Jews offer prayers of supplication to God, often tucking personal notes into the crevices between the huge ancient stones of the Western Wall (Wailing Wall); Muslims bow their foreheads to the ground in the direction of Mecca at the Dome on the Rock; and Christians worship at the Church of the Holy Sepulcher. You may also explore the storied religious heritage of Cairo during the special Pre-Program Option.

The Red Sea, Nile Valley and the Holy Land travel program offers incomparable opportunities to immerse yourself in the dazzling panorama of human history along with the exceptional comforts and benefits of the small ship M.Y. HARMONY V. We urge you to make your reservations now, as this program was a quick sell-out in 2010. Early Booking Savings are available now through September 10, 2010.

Best regards,

Day 6

After an early breakfast, disembark and wind through the mountains of the Eastern Desert to the lush Nile Valley and the Upper Egyptian town of Luxor. Here lie the spectacular treasures of fabled Thebes, imperial capital during the New Kingdom (1550-1069 B.C.), when Egypt's most powerful pharaohs presided over the building of an astonishing architectural legacy that includes Karnak Temple and the exquisite shrines and tombs of the Theban Necropolis.

Arrive in Luxor in time for lunch. After checking into the deluxe STEIGENBERGER NILE PALACE LUXOR HOTEL, visit the Temple of Luxor, Thebes' second major religious center. Enter by way of the dramatic "Avenue of the Sphinxes," which once stretched all the way to Karnak. Stand beside the spectacular obelisk, whose twin was placed in Paris' Place de la Concorde by Napoleon Bonaparte. View the temple's exquisite bas-reliefs depicting diverse elements of life in ancient Egypt in addition to historical events like Ramses' great victory at the Battle of Kadesh in 1274 B.C. Then continue to Karnak Temple, one of the largest religious structures ever built. Dedicated to the supreme New Kingdom deity,

than 100 acres and was built and expanded over the course of more than 1,000 years, beginning around 1600 B.C. Admire exquisitely crafted statues of the most legendary pharaohs, including Ramses II, and marvel at Hatshepsut's 97-foot-tall rose-granite obelisk weighing a staggering 320 tons and carved from a single piece of stone. In the heart of the temple, stroll through the Hypostyle Hall, a vast forest of 80-foot-tall columns. (B,L,D)

LUXOR/HURGHADA

Day 7

This morning, cross the Nile River to the Valley of the Kings, where many of Egypt's most famous pharaohs were laid to rest amidst vast troves of statues, jewels, amulets and everyday belongings believed to be required for the spiritual journey to the afterlife. Feel the spirit of discovery as you descend narrow entrance halls into the ornate burial chambers of Tutankhamun and Ramses IV, where elaborate hieroglyphics and painted carvings depict the pharaohs as righteous kings worthy of resurrection. Visit the Valley of the Nobles and admire the fascinating terraced Temple of Hatshepsut, the "Splendor of Splendors," built by ancient Egypt's most powerful female ruler. Stand in the shadows of the fabled Colossi of Memnon, two immense statues whose reputed oracular powers attracted pilgrims from across the ancient world. Return to the hotel for lunch. Following lunch, return to the ship in Hurghada in time to freshen up for dinner. (B,L,D)

SHARM EL SHEIKH (SINAI)

Day 8

In the cool early morning, ascend the foothills of the Sinai Peninsula to the mile-high Greek Orthodox Monastery of St. Catherine, a sixth-century fortified complex of gardens, chapels and libraries, built under orders by Emperor Justinian on the site of the Burning Bush.

Admire the monastery's priceless works of art, including one of the most important illuminated manuscripts in the world, and visit the splendid Basilica of the Transfiguration. See the Chapel of the Burning Bush, visit the Gallery of Icons and learn how the monks' traditions have endured for 1,500 years in this barren mountain environment. Enjoy lunch at the monastery. Retrace your route to the ship as the afternoon sun casts new shadows on the starkly beautiful landscape. (B,L,D)

AQABA, JORDAN/PETRA/AMMAN

Day 9

Disembark the ship early this morning and depart for the legendary "rose-red" city of Petra, a UNESCO World Heritage site carved from the red sandstone cliffs of Wadi Araba by the ancient Nabateans. Make your way mid-morning on foot through the narrow Siq, the winding mountainous passage and only entryway into one of antiquity's most astounding sights—a magnificent city of temples, dwellings and tombs hewn from solid rock 2,000 years ago. Admire the masterfully crafted Khazneh (Treasury), the glorious Temple of the Winged Lions and the 8,000-seat amphitheater, where citizens once cheered on gladiators battling to the death.

Walk through the Precinct of Amun in the heart of Karnak "The Most Prestigious of Places"—and once accessible o

The Church of the Beatitudes stands on the shores of the Sea of Galilee where Jesus Christ is said to have given his “Sermon on the Mount.” Its octagonal shape represents the eight beatitudes featured in the sermon.

Following a late lunch, drive north on the King’s Highway to Amman. Arrive early this evening and check into the deluxe LE ROYAL AMMAN HOTEL. (B,L)

AMMAN/SEA OF GALILEE/ NAZARETH, ISRAEL/JERUSALEM *Day 10*

After breakfast, transfer to the Jordan-Israel border for departure and arrival formalities. Upon arriving at the Sea of Galilee, visit the Mount of Beatitudes, revered for more than 1,600 years as the location of Jesus’ Sermon on the Mount. In Tiberias, see the carefully preserved ancient churches and synagogues.

After lunch, continue to Nazareth to visit the Church of the Annunciation and the Church of St. Joseph, which according to legend was built over the carpentry workshop and home of Joseph, Mary and Jesus.

Arrive in Jerusalem this evening. Check into the deluxe INBAL HOTEL. (B,L)

JERUSALEM *Day 11*

Spend today in Jerusalem, a holy city for three of the world’s greatest religions: Judaism, Islam and Christianity. Its mystical fascination for millions is eloquently summed up by the author David K. Shipler: “Jerusalem is a festival and a lamentation. Its song is a sigh across the ages, a delicate, robust, mournful sigh at the great juncture of spiritual cultures.”

Temple, known to the ancient Egyptians as Ipet-isut—y to royalty and the high priesthood.

Enter the Old City through the Jaffa Gate and walk to the recently restored Cardo, the Roman road. Follow the Via Dolorosa to the Church of the Holy Sepulcher, the traditional site of Jesus Christ’s crucifixion. Continue to the Western Wall (Wailing Wall), which was part of the sacred Second Temple, dedicated in 516 B.C. Jerusalem was ravaged by the Romans in A.D. 70, and the Western Wall is venerated to this day as the only extant segment of the Second Temple. (B,L)

JERUSALEM/DEAD SEA/MASADA *Day 12*

On a full-day excursion to the settlement of Qumran, visit the site where the Dead Sea scrolls were found. Enjoy an opportunity to float in the Dead Sea, whose buoyancy is a result of salinity that is ten times greater than the oceans’. Then visit the ruins of Herod the Great’s ancient fortress at nearby Masada. Return to Jerusalem for an evening at leisure. (B,L)

JERUSALEM/TEL AVIV/U.S. *Day 13*

After breakfast, check out of the hotel, transfer to Tel Aviv and board your flight to the U.S. (B)

Stand at the foot of Biblical Mt. Sinai, where St. Catherine’s Monastery was built in A.D. 565.

Complete details will be provided with your reservation confirmation.

Explore Cairo, a bustling metropolis built on a site inhabited since the dawn of history.

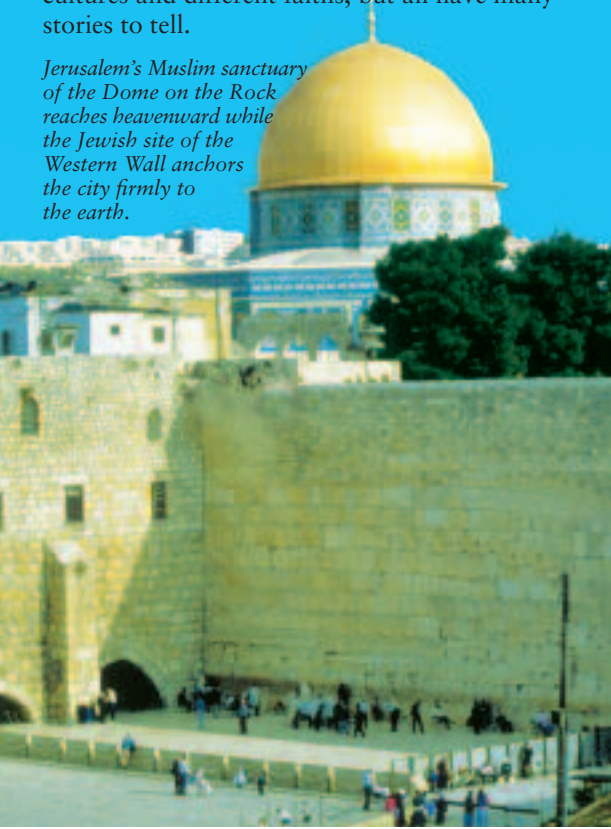

BETWEEN HEAVEN AND EARTH: ANCIENT CIVILIZATIONS OF THE RED SEA

They are gone now from the lands bordering the Red Sea, the lands so seminal to the history of the world: Jordan, Egypt and Israel. Gone are the pharaohs in their high head-dresses, encrusted with golden serpents. Gone are the Roman centurions in their red-crested helmets; crusaders in their shining chain mail; fabled Saracens wielding bejeweled scimitars. Yet here, in the deserts, oases, deltas, mountains and along the shores arose magnificent civilizations, whose cultures, although varied, defined human achievement, intellect and, above all, faith.

Join us on a magnificent journey that offers you a sweeping panorama of 5,000 years of human history and achievement—an intimate glimpse into an antiquity that has shaped and influenced our own history and perspectives on faith. Step inside the many layers of mankind's intellect, innovation, creativity and search for eternity—both spiritual and temporal—which have left an imprint of his existence for all time. Let your imagination roam and form a very real link to past human glories, tragedies, misjudgments and supreme achievements, all of which were instrumental in shaping the contemporary world.

Perhaps no other area on earth has evoked such powerful images and emotions. Perhaps no other area on earth has been fought over for so long by so many. Yet for all that, the sites and structures that we will see have endured. The ancient temples, churches, monasteries and mosques along our route are symbols of different cultures and different faiths, but all have many stories to tell.

Jerusalem's Muslim sanctuary of the Dome on the Rock reaches heavenward while the Jewish site of the Western Wall anchors the city firmly to the earth.
