aboard the M.S. AMADEUS DIAMOND

June 14 to 28, 2012

Dear Club Traveler:

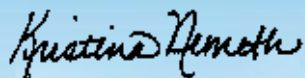

Come experience the historical and cultural treasures of the former Habsburg Empire, one of the most prolific in all of European history, on this custom-designed itinerary that introduces you to six Central European countries and features opportunities to visit 10 UNESCO World Heritage sites. This unique journey combines a seven-night cruise on the Danube River, where the spectacular legacy of art, music and culture of the Habsburgs thrived for over six centuries, with three nights in each of the historic cities of Prague and Kraków, where medieval architecture was spared destruction during World War II.

Enjoy accommodations aboard the chartered, deluxe M.S. AMADEUS DIAMOND, one of the finest ships to ply the waterways of Europe, and in deluxe, centrally located hotels. Explore the well-preserved, historic city centers of Budapest, Vienna, Český Krumlov, Prague and Kraków—virtual open air museums of Central European history and architecture. Embark the ship in cosmopolitan Budapest, and cruise on the magical “Blue Danube” through the spectacular Wachau Valley watching for medieval castles and cathedral spires. Enjoy the delightful storybook village of Dürnstein and discover the architectural riches of Bratislava, Melk Abbey and the imperial Vienna of Maria Theresa and Franz Josef. In addition, traverse the enchanting landscapes, rolling hills and woodlands of Germany, the Czech Republic and Poland en route to the treasures of Prague and Kraków.

Throughout the trip we will hear lectures from an esteemed group of study leaders on a variety of topics. Our program includes a comprehensive schedule of exclusive guided excursions, a private organ recital in Melk and a memorable performance by the Mozart Children’s Choir. You also have the option to extend your travel program in Budapest, Hungary, on the Two Night Pre-Program.

Traveling through the heartland of Europe has never been easier or more appealing. For both new and repeat travelers to the Danube valley and Central Europe, this unique itinerary provides a fresh perspective on a region of wonderful cultural riches and diversity. We are sharing this program with several other educational institutions, including UC Berkeley, Tufts University, and William & Mary. This popular travel program, an incredible value, sells out quickly. We encourage you to make your reservations today, while Early Booking Savings are available.

## Budapest, Hungary

Saturday June 16

For centuries, the twin cities of Buda and Pest have faced each other across the Danube River. When the Habsburg Archduke Joseph, son of Emperor Leopold II, became Palatine of Budapest in 1796, he undertook a building program on an unprecedented scale. By the time this “most Hungarian Habsburg” died in 1847, Budapest rivaled Vienna as an imperial capital. The Danube embankments and the Buda Castle Quarter are a UNESCO World Heritage site. Begin your tour in Pest, where the elegant limestone Parliament Building looms beside the river. Pass through Heroes’ Square and admire its monuments to the Magyar chiefs who conquered Hungary in A.D. 896. Cross the imposing Chain Bridge linking river-level Pest to the hillier Buda side of the Danube. On Castle Hill, visit the Gothic Matthias Church, built in the 1200s and renovated in the 17th and 19th centuries, and the neo-Romanesque Fisherman’s Bastion, which commands a panoramic view of the city. (B,L,D)

## Bratislava, Slovakia

Sunday, June 17

Dock in Bratislava, capital of Slovakia, located in the foothills of the Carpathian Mountains overlooking the banks of the Danube River. Beautifully restored since the end of the Cold War, the city showcases its 21st-century life amid its 1,000-year-old history. Enjoy a morning walking tour of Bratislava’s Old Town, to see its medieval, Renaissance and 19th-century architecture, among the finest in central Europe. Admire the Romanesque

14th-century Cathedral of St. Martin, visit the elaborate Primatial Palace and marvel at the beauty of the magnificent Slovak National Theater, one of Europe’s finest 19th-century opera houses. See the 14th-century St. Michael’s Gate, the only remaining portion of the city’s medieval fortifications. (B,L,D)

## Vienna, Austria

Monday and Tuesday, June 18 and 19

The former seat of the Habsburg Empire, Vienna is an open-air museum of Baroque architecture, designated a UNESCO World Heritage site. This remarkable city owes its present appearance to the Austro-Hungarian Emperor Franz Josef, who created the famous Ringstrasse to showcase the city’s finest landmarks—the impressive Vienna Opera House and the lavish Hofburg Palace. After a lecture on the Habsburgs by a local expert, visit the great 13th-century Stephansdom, renowned for its distinctive zigzagged roof tiles.

The afternoon is at leisure. This evening, you will have the opportunity to attend an optional performance of Mozart and Strauss’ music in a premier venue.\* Overnight aboard the ship in Vienna.

On your second day, further explore the cultural treasures of Vienna at your own pace or join the optional excursion to Schönbrunn Palace,\* a UNESCO World Heritage site and the Habsburgs’ summer residence, to learn about the lineage of the Austrian Empire. Enjoy a private Mozart Children’s Chorus performance on board this evening. (B,L,D)

## Dürnstein/Melk

Wednesday, June 20

The charming medieval village of Dürnstein sits below the hilltop ruins of Castle Kuenringer, where Richard the Lionheart was held prisoner after the Third Crusade. Walk through the tiny, picturesque village to the Assumption of the Blessed Virgin Abbey Church. Then, cruise the Danube’s spectacular and fabled Wachau Valley, a UNESCO World Heritage site, where terraced vineyards blanket hillsides dotted with the haunting ruins of medieval castles.

Photo this page: *In Prague, the “City of Spires,” walk on the famous Charles Bridge, which links the medieval Old Town with the splendid Baroque palaces of the Little Quarter, the city’s most intact historical district.*

This afternoon, visit Melk's magnificent Benedictine Abbey, showcasing Austria's impressive Baroque architecture. A prestigious center of scholarship throughout the Middle Ages, the abbey's library today is a repository of 100,000 medieval manuscripts, priceless relics and 16th-century "Danube School" masters' works by Albrecht Dürer and Lucas Cranach. The tour concludes with a private organ recital in the abbey's beautiful Stiftskirche (church).

This evening, cruise to Linz. (B,L,D)

## Linz for Salzburg/ Passau, Germany

Thursday, June 21

From Linz, a full-day optional tour to Salzburg is offered.\* Salzburg's Old Town is a UNESCO World Heritage site renowned for its wonderful Baroque architecture. The ship will continue on to Passau where passengers will rejoin the ship in time for dinner. (B,L,D)

## Passau/Český Krumlov, Czech Republic/Prague

Friday, June 22

Disembark and travel across the rolling, wooded German and Czech countryside to Český Krumlov, a UNESCO World Heritage site and the best-preserved

medieval city in the Czech Republic. Built during the 13th century, the castle and surrounding village overlook the Vltava River. Enjoy lunch and a walking tour before continuing on to Prague. On arrival, check into the deluxe HOTEL INTERCONTINENTAL PRAHA, located near the historic Old Town. (B,L)

Founded in 1089, the Austrian Benedictine Melk Abbey housed a world-renowned monastic library.

## Prague

Saturday and Sunday, June 23 and 24

A guided tour showcases the diverse cultural legacy of Prague, a UNESCO World Heritage site and the "City of a Thousand Spires" of Gothic, Renaissance and Baroque architecture.

*Kraków's Renaissance Cloth Hall overlooks the lively Rynek Główny (Main Market Square), an impressive plaza surrounded by ornate houses and towering spires.*

*The beautifully preserved Český Krumlov is a stunning example of a medieval small town in central Europe.*

Tour the fascinating Hradčany complex of castles, churches and museums, the former residence of Bohemian royalty, which dominates the city skyline. See St. Vitus Cathedral and walk through the “Golden Lane,” a street formerly lined with goldsmiths that today is known for its small houses built in the Mannerism style at the end of the 16th century.

Walk down the narrow, picturesque lanes of the Staré Město (Old Town) to the Orloj, the ornate, 15th-century astronomical clock of the Old Town Hall. Continue to Josefov, the Jewish Quarter, and visit Europe’s oldest Jewish house of worship, the Gothic Old-New Synagogue; walk among the moss-covered, 15th-century headstones of the Jewish Cemetery; and conclude at the famous Charles Bridge, adorned with 17th- and 18th-century statues of saints. (B)

Enjoy a walking tour of the grounds of Wáwel Hill. See the Royal Castle, the seat of the monarchy for 500 years, which blends 16th-century Florentine architecture with Polish motifs and houses the state art collection, and the 14th-century

Cathedral of Sts. Stanislaus and Waclaw, where all of Poland’s kings were crowned and buried. Walk into the Old Town and to Rynek Główny, or “Main Market Square.” Visit the 14th-century twin-spired Mariacki (St. Mary’s) Church, one of the finest Gothic structures in Poland, to see the famous medieval altar by Wit Stwosz. From the church’s tower, a lone trumpeter sounds a haunting call every hour on the hour, in commemoration of a warning of an impending attack by the Tatars in medieval times. Pass by the former residence of Pope John Paul II, where he lived while Archbishop of Kraków.

*The charming hamlet of Dürnstein is nestled within the rolling Wachau Valley, a UNESCO World Heritage site.*

## THE HOUSE of HABSBURG

In the late Middle Ages, Swiss Count Rudolph von Habsburg married the daughter of Count Burkhard III of Hohenberg becoming an important vassal in the domains of old German Tribes, increasing his importance through his wife's valuable estates and thus founding The House of Habsburg. Through similarly smartly arranged marriages, his heirs evolved their status until The House of Habsburg became one of the most powerful dynasties in the history of Europe. Count Rudolph's sons began a six-century-long succession as Dukes and Archdukes of Austria and, after five generations, his descendents began a hereditary line of 19 Holy Roman Emperors creating a family tree which traces their lineage to Kings of Bohemia and Hungary as well as the Romans. These strategic unions allowed them to acquire territories spanning from Portugal to Poland, from the Mediterranean to the North Sea and, at one time, the Habsburgs even controlled Spain's interests in the Americas.

From their seat of power in the inspiring classical city of Vienna, The Habsburgs' cultural influence flowed out to their vast empire. The Reign of Empress Maria Theresa, from 1740 until the 19th century, brought one of the most fascinating chapters of Austrian art and architecture—Baroque to art deco (Jugendstil). Fashion became an art form, where each "tracht" identified a person's social, marital and trade status. Today, the Habsburgs' Viennese influence is prevalent throughout the heart of Central Europe and perhaps the greatest of the Empire's legacies arose in the sonorous notes of Wolfgang Amadeus Mozart, Ludwig van Beethoven and Johannes Strauss, whose music has continued to resound through the centuries.
